Pupil Premium Strategy Statement

2017 - 2018

This Pupil Premium Strategy outlines how our school has spent the Pupil Premium allocation in 2017–2018 and how it plans to spend it during the rest of this academic year. It also outlines our key principles and reasons for spending the Pupil Premium in the way that we do; the progress that children in receipt of the Pupil Premium are making and the impact this funding is having on these children.

Chadsmead Principles and Objectives

The Pupil Premium was introduced to address the underlying inequalities between children eligible for free school meals and their peers. It is allocated to schools to work with pupils who have been registered for free school meals, Service children and Looked After Children at any point in the last six years. Eligible children must be of statutory school age (Reception to Year eleven).

Arrangements to pay schools vary between Local Authorities however schools are free to spend the Pupil Premium as they see fit. Our approach and vision for our pupils is to ensure that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decision on how to use the “Pupil Premium” are based on findings of high quality research and publications as well as OFSTED’s best practice guidelines. These have supported our decision and expenditure in order to make effective use of our Pupil Premium funding.

Chadsmead Beliefs

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Pupil Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Pupil premium spending should be allocated following a needs analysis which identifies children with priority needs; those with the greatest need being children in receipt of free school meals whose progress is not rapid enough.
- Pupils who receive free school meals are not necessarily socially disadvantaged or making inadequate progress.
- Not all pupils who are socially disadvantaged are registered or qualify for free school meals.
- Our Pupil Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children
- Our Pupil Premium funding should be spent according to ‘best value principles’ and related to activities which research suggests will make the very best use of the finances available
- It is important to take a ‘long term view’ to stop achievement gaps from widening. Some of our long-term objectives will take more than an academic year to come to fruition.

Measurement of Pupil Premium Funding Spending at Chadsmead

Effectiveness of Pupil Premium money will be measured through:

- Pupil progress results and attainment over time;
- Evidence from book scans, learning walks, pupil progress meetings; formal performance management of teachers and teaching assistants by senior leaders as well as by external stakeholders;
- Performance Management of the SENCO / PP Champion by the Head teacher.
- Pupil feedback from learning experiences;
- Impact of intervention programmes at review points
- Impact of Professional Development training
- Achievement of the support planned
