

Year 1 Long Term Plan 2016-2017

Autumn 1 Moon Zoom Science Focus	Autumn 2 Bright Lights, Big City Geography Focus	Spring 1 Paws, Claws & Whiskers Science Focus
		
<p>Year 1 will be identifying and naming the planets in our solar system. They will investigate a suspected space craft crash landing in our school playground.</p> <p>In science we will learn about different materials and identify their properties and uses.</p> <p>The children will design, create and evaluate making their own space craft using junk modelling.</p>	<p>During this topic year I will learn about the four countries in the UK and lots about the city of London and we will compare the big city with that of our very own Lichfield.</p> <p>They will learn about features of cities. They will use maps and plans.</p> <p>Then they will step back in time and find out about the great fire of London.</p>	<p>Paws, claws and whiskers will help the children to learn about pets at home to animals in the zoo. Who eats who in the food chain? Which animals are carnivores or herbivores?</p> <p>They will have the opportunity to be creative through art and design, making collage and painted media, sculptures and masks.</p>
<p>Fiction - Wishing Tale How to catch a star by Oliver Jeffers</p>	<p>Fiction - Journey Tale Town Mouse & Country Mouse by Suzanna Davidson</p>	<p>Fiction - Finding Tale The Tiger Who came to Tea by Judith Kerr</p>
<p>Non-fiction - Report One Giant Leap by Robert Burleigh</p>	<p>Non-fiction - Recount The Great Fire of London</p>	<p>Non-fiction - Report Animal Fact Books</p>

Year 1 Long Term Plan 2016-2017 continued...

Spring 2 Superheroes	Summer 1 The Enchanted Woodland	Summer 2 - Dinosaur Planet
Science Focus	Science Focus	Science Focus
		
Year 1 will be spending this half term learning through the eyes of a superhero. They will discover facts about the human body and how to keep fit and healthy. We will learn about eating healthily and making healthy choices. As well as investigating our favourite superheroes we will also learn about real life heroes in history and the impact they have had on our lives.	During this topic the children are going to build on our knowledge of animals and spend time learning about plants. We will investigate how plants grow and the conditions that are needed for plants to grow well. The children will learn how to classify plants and animals. They will also look at a woodland habitat and what lives and grows there.	Raaaaaaa. Which is your favourite dinosaur? The children will be looking back in time to when dinosaurs ruled the earth. Which dinosaurs were there? How did they survive? How do we know so much about these animals that lived so long ago? A trip to the dinosaur museum might be on the cards.
Fiction - Losing Tale Charlie's Superhero Underpants by Paul Bright	Fiction - Overcoming the Monster Hansel and Gretel by Anthony Browne	Fiction Friendship Tale The Good Dinosaur By Disney
