<p>Let's get messy! Muck and mess is good! In fact, it's mega marvellous!</p> <p>Dive in and get your hands and feet all sticky and covered in paint. We will write recipes, instructions and use lots of scrummy words to describe the mixtures!</p>	<p>Year 2 will be learning about our local community, looking at houses old and new and finding out how our streets have changed since our mums and dads were young. We will make maps and plans of the streets around us and find out how to write adverts.</p>	<p>See the castle ahead? Get ready to invade its mighty walls! Head across the drawbridge, over the moat and up to the top of the tower... Let's build a brand new tower. Whose is the tallest? Can you measure it? Then dig deep, deep down making burrows and tunnels, just like the animals who live underground. Make sure your bridge is sturdy enough to take the weight of the angry troll! And finally meet the 3 little pigs who need your help to build a strong fortress! No huffing and puffing will blow your fortress down!</p>
