

# Year 3 Long Term Plan

Autumn 1 - Action Traction Science Focus	Autumn 2 - History Rocks Geography Focus	Spring 1 - Tribal Tales History Focus
		
<p>Year 3 will be engineers, scientists and makers of men (iron men, of course!), We will explore the scientific world of forces and magnetism, metals and materials...We will expand our minds as we test, trial, build and move. We will find out which force is at play as we slide down slides or swing on swings, explain why magnets repel or attract, make a penny look shiny and new as well as making a steel band!</p>	<p>Year 3 will discover the dangerous and ferocious world of natural disasters and glimpse their savage and deadly effects. We will visit the ancient city of Pompeii, frozen in time, then create our own blistering explosions from model volcanoes that fire foamy lava. We will discover the properties of rocks shaped by the Earth's breath-taking power.</p>	<p>Year 3 will head back to prehistoric times (it's a long time ago) to gather berries and hunt down dinner. We will unearth ancient objects and visit astonishing mystical monuments that reveal the secrets of an ancient time. We will learn how the people of Britain developed over thousands of years from the Stone Age until the Roman invasion. We will work as a tribe to build a seasonal monument to celebrate the coming of spring.</p>
Fiction - Traction Man is Here!	Fiction - Hadrian the Dog of Pompeii	Fiction - Stig of the Dump

## Year 3 Long Term Plan continued...

Spring 2 - Predators	Summer 1 - Super Spuds & Vibrant Veg	Summer 2 - Myths & Legends
Science Focus	D&T Focus	History Focus
 	 	 
<p>Year 3 will be taking a walk on the wild side! We will be learning about creepy crocs and amazing alligators, the deadly assassin bug and the voracious Venus flytrap. We will learn about our favourite predators and using our knowledge of the best of the beasts we will create the ultimate predator! We will also be investigating food chains.</p>	<p>Year 3 will be enjoying a yummy journey of discovery, tasting fantastic fruits and vibrant vegetables. We will be working up an appetite with delicious stories about food and reading exciting stories about heroic and villainous vegetables! We will discover how good food helps you grow fit and strong. We will be getting busy in the kitchen.</p>	<p>Year 3 will be discovering a fantastical world full of mythical creatures and legendary heroes. We will be learning about Mount Olympus and the Greek gods Poseidon, Apollo, Artemis and Zeus. We will explore the terrains of Greece using maps and atlases. We will learn about Helen of Troy, the beautiful face that launched a thousand ships.</p>
