

7th January 2025

Dear Parents/Carers,

We are pleased to be able to offer a Science Club at school on Thursday from 3.20pm – 4.20pm. The club will run during the Spring term, commencing on Thursday 16th January 2025.

Children will have the opportunity to explore science in a fun way through investigations and experiments. There is no cost associated with this club. However, please note this club is only open to those children who have never participated in the club before. This allows more children to experience and enjoy the wonders of science. If your child would like to attend, please complete the permission slip below and return to school as soon as possible, spaces will be on a first come basis.

Your sincerely,
Mrs Baines
Teaching Assistant
