## **NERF CLUB**

It's Nerf or nothing! This club is fun from start to finish! Children will learn how to use our wide range of nerf blasters safely, work on accuracy with our target practice sessions as well as teamwork in our battle zone themed games. Activities such as base building, save the VIP and practicing on our shooting range. If your child is nuts about Nerf this is definitely the club for them.

## **TRAMPOLINING**

Mini Trampolining can be a fun and beneficial activity for children. It provides them with an opportunity to have fun while also engaging in physical activity. It's a popular choice among children for its combination of entertainment and exercise. Trampolining provides an excellent cardiovascular workout, helps improve balance, coordination, and flexibility. It also strengthens muscles, particularly in the legs and core, whilst increasing social interaction.
