

5th November 2024

Dear Parents/Carers

NURSERY RHYME TIME WORKSHOP

We would like to invite you to a 'Rhyme Time' workshop with your child on **Wednesday 4th December at 9am**. Singing Nursery Rhymes and songs is so important for children as it allows them to learn new words, develop their non-verbal communication skills and learn early Maths skills. Children begin to understand how words are formed and learn to copy actions. This boosts their language, communication and literacy skills.

During this 'Rhyme Time' session, you and your child will join in with lots of Nursery Rhymes which will be led by Mrs Mullen and Mrs Rigby. This session will give you the opportunity to hear and join in with the songs that we sing with the children to support their learning.

Please wait outside the usual drop off and pick up point where a member of staff will greet you. Singing songs and rhymes are an important part of supporting your child's communication skills. For this reason we would encourage you to come along to the session.

Yours sincerely,

Mrs Crossley
EYFS Lead

NURSERY RHYME TIME WORKSHOP

I am able / not able* to attend the Rhyme Time session. **please delete as appropriate*

Child's Name:

Person attending the session:.....

Relationship to child:

Please return slip by Monday 25th November 2024
