

4th July 2025

Dear Parents and Carers

Year 3 & 4 - Design and Cook Hot Snack

As part of our Design Technology topic children in Year 3 and Year 4 have designed a hot snack topped with fruit. They have selected a variety of fruits to use as a topping for a warm pancake / wrap base.

The children will have the opportunity to prepare, cook and eat their designed snack in school.

We would be very grateful if you were able to make a voluntary contribution of £2 in order to assist the school in purchasing the ingredients.

We will consult any existing Health Care Plans held in school for allergies. However, if you do not have a Health Care Plan, please complete the form below indicating any food allergies. If you are unsure, please contact school.
