Dear Parent / Carers

Report re Ofsted Inspection of Before & After School Club, 13th September 2023

Some of you may be aware that our Before & After School Club at Chadsmead was inspected by Ofsted on Wednesday 13th September.

As an Ofsted registered childcare provider Jozone Kids Club adheres to all Ofsted regulations and our club is regularly inspected. In September 2019 Ofsted changed the way it inspects out of school childcare providers.

The early years foundation stage and general childcare registered framework remains the same, but the inspection criteria Jozone has to meet has changed. As a result, the inspection outcomes have changed as well.

A Met outcome should serve as a strong indicator to parents that the particular setting is high quality welcoming and offers children a safe and stimulating environment where children are able to grow in confidence. Outstanding or good now graded as "met" - new highest possible inspection outcome, theoretically equal to an outstanding or good outcome.

Required improvements is now graded as "not met" with actions.

Inadequate now graded as "not met" with enforcement.

We are so proud to announce The Club obtained a MET rating. Although we are disappointed they don't grade the way they did we are very proud of our report.

A full copy of the report is attached for your information.

We are extremely proud of the report and would like to thank children, parents and carers for their support in making our club a success. The staff work extremely hard to make it such a great club.

If you have any queries or comments arising from the report, please contact myself or a member of the Jozone Team!
