

# School Council Meeting!

Today's school council meeting: December 2025

## Matters Arising:

- **Secret Snack Survey – The Results**
- **Improvements to break and lunchtimes**
  - Remind class teachers to nominate rota / pupils to collect / pack away break time items into red buckets / sheds
  - Ask Mrs Clark to speak with the caretaker about retrieving hoops from trees, balls from roofs and items from bushes.
  - Suggestions list submitted to GG for play activities for new year.

## Your School Councillors are:

- **Y1: AV, KD**
- **Y2: AM, AS**
- **Y3: MP, TR**
- **Y4: HB, CA**
- **Y5: LF, AL**
- **Y6: JH, JS, SB, MB**

All councillors attended 😊

## Wishes / Requests: Today at school council we talked about:

### School Environment (Inside)

School councillors have raised issues with the library – Y6 Rota spend every lunchtime tidying but books are left and not put back.  
**Staff to remind children**

### School Environment (Outside)

School councillors have ongoing concerns about broken / missing breaktime bucket equipment.  
**Mrs Cadman shared future plans of break/lunchtimes**

### Healthy Eating

School councillors have requested jugs of water again for Y6 like last year; children would like a variety of snack options for break times in KS2 - **To be discussed with GG**

### Happiness and Well Being

School councillors have no concerns about the happiness / wellbeing of children at Chadsmead however they recognise that playtimes are where disagreements and fall outs mainly occur due to social skills.

### Safety

School councillors have no concerns about the safety of children or adults in our school. Councillors are aware of the ways we keep children safe.

### Other Issues

School councillors have forwarded class suggestions as to what kind of activities they would love to see in the future when we are developing play and break/lunchtime opportunities.

## After today's school council meeting the following should happen...

- **School councillors will be talking to their classes about the activities that children would like to undertake at lunch and play times – External school survey for staff, parents and children regarding play**
- **Councillors will be involved in new school initiatives in the spring term to support OPAL Play.**

**Our Next Meeting is planned for spring 1**
