

27th April 2026

Dear Parents and Carers,

Reception to Year 1 Transition Meeting

The end of the year is fast approaching and no doubt you are keen to find out about your child's progression into their next year of education.

We would like to inform you of the upcoming transition meeting from Reception to Year 1. This meeting is an important opportunity for you as parents to learn about the transition process and to gain an insight into what your child's learning journey for next year will entail.

We will be hosting the transition meeting on **Wednesday 17th June 2026 at 9am in our KS1 hall**. Once you have dropped your child into class you can use the same door to access this hall.

During the meeting, you will have the opportunity to meet with your child's new teacher and see their new learning environments.

Attendance at the transition meeting is strongly recommended, as it will provide valuable information and help to ease your child's transition from one year to the next. Furthermore, it will provide an opportunity to share the expectations and goals for the upcoming academic year, which is important for your child's academic success.

Thank you for your ongoing support and commitment to your child's education. We look forward to seeing you at the transition meeting and school tour. Please do not hesitate to contact us if you have any further questions.

Yours sincerely,

Mrs G Grainger
Headteacher
