Dear Parents/Carers

RE: Update – SATs Week Breakfast Provision

We would like to sincerely apologise for our previous letter which stated that we would be unable to provide breakfast during SATs week. We are pleased to let you know that we will be offering a free breakfast for all pupils taking SATs from Monday to Thursday of SATs week (11th – 14th May). This provision is designed to ensure your child starts each test day feeling calm, supported and ready to do their best. Breakfast will be served in the school dining hall from 8:30am each morning, and we warmly encourage all SATs pupils to attend and enjoy a relaxed, friendly start to the day.

We will be offering toast each day but on Thursday children will have the choice of either toast or a bacon bap. Please can you confirm your child's Thursday food choice on the slip below and return to school by Tuesday 5th May. Please could you also let us know of any dietary requirements too.

Thank you for your ongoing support and cooperation.

Yours sincerely,

Mrs Grainger & Year 6 Staff
