Dear Parents/Carers

Communication with School

We would like to remind you about the Arbor app, which will become our **only method of communication** with families from next week.

If you have not yet signed up, please do so as soon as possible. This will ensure you continue to receive important school messages, updates, and notifications.

School Reports

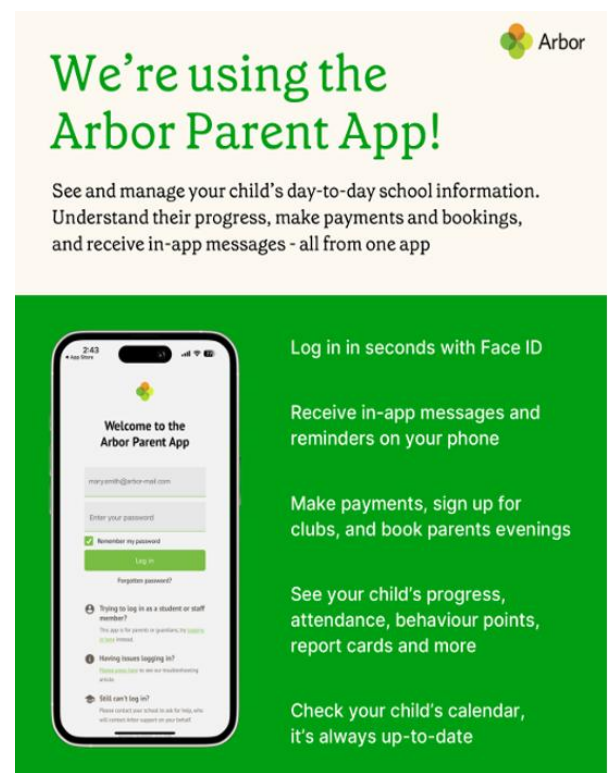

Please also note that **school reports will be emailed home this year**, so it is essential that we have an up-to-date email address on file for all parents and carers.

If you need to update your email address, have not received your Arbor invitation, or are experiencing any difficulties accessing the app, please contact the school office and we will be happy to help.

Thank you for your cooperation and support.
