Dear Parents/Carers

Hockey Sessions – Years 3, 4 and 5

We are pleased to let you know that children in Years 3, 4 and 5 will be taking part in hockey sessions during the school day each Thursday, led by Mr O'Brien from Lichfield Hockey Club, alongside their class teacher.

The sessions will take place during the afternoon and will give children the opportunity to develop their hockey skills and enjoy learning from an experienced hockey coach. We are very grateful to Lichfield Hockey Club, who have kindly funded these sessions for our children.

Please come to school in PE kit

On the day of their hockey session (Thursdays), children should come to school wearing their PE kit, ready to take part in the afternoon.

After-School Hockey Club

Mr O'Brien is also running our free After-School Hockey Club for children in Years 3, 4 and 5, every Thursday from 3:20pm – 4:20pm.

A separate letter and permission slip has been sent home for the After-School Hockey Club. If your child would like to join, please complete and return this permission slip.

Places are limited and allocated on a first-come, first-served basis, so we would encourage children who are enjoying their hockey sessions to come along and join the club too!

We hope the children really enjoy this fantastic opportunity.

Mrs Grainger
Headteacher
