Wishes / Requests: Today at school council we talked about:

School Environment (Inside)

No Concerns raised or discussed

School Environment (Outside)

Councillors are worried that some children might not hear the OPAL Play Team calling in dinners. Suggestions discussed.

Healthy Eating

Councillors are worried that some children don't have healthy snacks in school – they have seen chocolates & family bags of crisps.

Happiness and Well Being

No Concerns raised or discussed

Councillors felt that children in school were happy and lessons were ok and free from any worries.

Safety

No Concerns raised or discussed

Councillors felt that children felt safe in school and at lunchtimes.

Other Issues

Councillors know how school keeps children safe: visitors signing in, wearing badges, locked doors, fire & lockdown practices, registers, High Viz on visits and the schools' Safeguarding team

After today's school council meeting the following should happen...

- School councillors will be talking to their classes about the OPAL Play suggestions and talking to classes about their suggestions for our OPAL PLAY Charter
- School Councillors will also be seeking children's views about school environment, healthy eating, happiness and Well-being and safety.
- Councillors would like to remind parents to provide healthy snacks for school.

Our Next Meeting is planned for Autumn 2
