Chadsmead Primary Academy

22nd October 2026

Dear Parents and Carers,

Outdoor Learning Day – Thursday 5th November 2026

We are looking forward to holding a whole-school Outdoor Learning Day on Thursday 5th November 2026. Throughout the day, children across all year groups will take part in a range of exciting outdoor learning activities. This will be a wonderful opportunity for children to explore, learn and develop new skills while enjoying the benefits of being outdoors.

As the weather is getting colder, we would appreciate your support in ensuring that your child comes to school suitably dressed for spending time outside. Please ensure your child has:

- A warm, waterproof coat
- Wellies
- A warm hat and scarf
- Gloves, if needed

Children should already have a pair of wellies in school as part of our outdoor play provision. However, if your child does not currently have wellies in school, please ensure these are brought in after half term, as they will be needed for our Outdoor Learning Day.

For Year 6 children: As part of their planned outdoor learning activity, we would also ask that Year 6 children bring in a pair of gardening gloves to use on the day. Children will be spending time learning outdoors, so it is important that they are dressed appropriately to keep warm, dry and comfortable.

We are looking forward to a fantastic day of outdoor learning, whatever the weather!

Thank you for your continued support.

Grainger
