Chadsmead Primary Academy

11th November 2026

Dear Parents/Carers

EYFS Post Office Walk

Christmas is approaching and we are beginning to plan exciting learning opportunities for our children. During one of our writing sessions, we will be writing a letter to Santa to say what we would like for Christmas. We would then like to walk to the local post office with the children so they have the opportunity to post their special letter. When your child sends the letter to Santa they will receive a special reply from him!

Not only do we want to let our children experience this magical opportunity, but it will also allow us to build on our learning. On our special walk we will be learning all about different types of houses (detached, semi-detached, terraced, bungalow, flats etc). When walking to the post office we will be spotting and discussing all the different houses that we see along the way.

We are asking for a voluntary contribution to help to cover the cost of a stamp, this would be greatly appreciated. The costs of a 2nd class stamp is 91p.

Please send the money into your child's class teacher along with the consent slip below by Monday 23rd November.

Many thanks.
EYFS team
