

Early Years Talk-Talk

Friday 13th September 2019

For being super creative this week.

Message from Early Years

What another fantastic week we have had. We have enjoyed continuing to get to know the children and building positive relationships with them. The children are doing a brilliant job following our classroom rules and routines.

This week, the children have continued to have lots of fun making cakes with the playdough, designing and building models in the construction area, making shape models using the 2D shapes, drawing patterns in writing sand, taking on different roles in the home corner, exploring the block area with the dinosaurs. Also this week, the children have made some super models in the box modelling area. So far the children have created megaphones, shows, pianos, music shakers and cat tails.

Library (Every Monday)

Next week we will be starting our Library session. This is where your child will bring home a library book of their choice to share with you at bedtime. Please note that this will be a story book for YOU to read to your child. Library books will be changed weekly so please ensure your child brings the chosen book back to school. If your child does not bring their library book back each week then they will not be able to choose another story until the previous book has been returned. We offer this session to encourage a love for reading from an early age so we hope you and your child will enjoy sharing and talking about the stories which they bring home. We thank you for your continued support.

Reception PE (Every Wednesday)

Please bring in your child's PE kit on Monday 16th September. PE kits will remain at school and be sent home every half term. Reception will start PE on Wednesday 18th September.

Nursery

If your child stays on Wednesday afternoon, please provide your child with a PE kit to take part in the lesson.

Forest Days (Every Friday):

Children will need to be provided with wellies or other suitable footwear as we will get muddy! These shoes can remain in school. Please provide your child with a bag so they can put their muddy clothes in to bring home on the Friday. Forest for both **Nursery** and **Reception** will start on Friday 20th September.

Only Nursery will have block sessions of Forest and PE, where they will do either of the sessions for a number of weeks and then will change.

Please ensure all school uniform is labelled with your child's name
