

Early Years Talk-Talk

Friday 31<sup>st</sup> January 2020

STAR OF THE WEEK

For being more independent with his writing in phonics.

### Message from Early Years

We have been continuing our journey around the world and have visited Africa. Next week we will be visiting Europe.

We have been completing lots of exciting activities such as using paints to create our own hand printed giraffe, using pastel to make our own sunset, weaving activities, writing labels for the African animals, practicing forming letters in shaving foam, exploring African drums, making enclosures for the animals using playdough and loose parts, making binoculars and much more.

In Maths Mastery this week we have been continuing to make our own mathematical stories. For example, first there were two sheep on the field, then three more came onto the field; now there are five sheep altogether. We have been using a number track and solving the addition sentence by counting on. We have also been learning all about weighing objects. We have been using the vocabulary **light, lighter, lightest, heavy, heavier, heaviest and balance.**

As we have been learning all about Africa this week, we have been writing sentences about animals that we would find. We have been using adjectives to describe them.

### Forthcoming Events

**Monday 10<sup>th</sup> February-** Dogs Trust Workshop - Non School Uniform

**Tuesday 11<sup>th</sup> February-** Dogs Trust Workshop

**Wednesday 12<sup>th</sup> & Thursday 13<sup>th</sup> February-** Parents Evenings

**Please note: Nursery children needs to bring their PE kits into school every Friday for their PE lesson.**
