### Message from Early Years

We have enjoyed continuing to get to know the children this week. We are so proud of how well they are following the rules and building relationships with one another.

This week the children have enjoyed exploring the indoor and outdoor classroom. They have been playing with the animals in the small world area and making dens using the resources, continuing to practice their cutting skills, completed lots of listening games during circle time, enjoyed exploring the shaving foam and much more.

Next week Reception will be starting Maths Mastery as well as Read Write Inc. and Literacy sessions.
