

17th November 2020

Dear Parents and Carers

Remote Learning Plan

Schools are expected to have a contingency plan to provide remote learning, which would apply only if your child has to self-isolate or if their class or year group bubble is requested to self-isolate due to Coronavirus (COVID-19).

Every child has been given a remote learning exercise book to support them with recording their learning, should they have to self-isolate. Please keep this safely at home. This book should be brought into school when the child returns from self-isolation, when class teachers will look through the learning completed and provide necessary feedback.

Remote learning is available on our website from Monday afternoon each week. You can find this learning under the Covid 19 tab: **Remote Learning/Class or Year group**. The learning matches the work in school as closely as it can. Printed packs are available on request using the normal communication routes.

The school is fully aware that these are exceptional times and would like to make it clear that the completion of work is not compulsory. However, we would encourage parents and carers, wherever possible, to engage in remote learning as it is extremely important for keeping children's learning on track. Each family is unique and because of this, should approach remote learning in a way which suits their individual needs. We realise that the circumstances that may cause our school to close will affect families in a number of ways. In our planning and expectations, we are aware of the need for flexibility from all sides.

Thank you for your continued support.

Yours faithfully,

A handwritten signature in black ink that reads 'Gemma Grainger'.
