

Thursday 7th March

Dear Parents/Carers,

Next week, as part of our Science week we will be visiting Stowe Pool in Lichfield:

Year 3 children will visit on Tuesday morning.

Year 4 will visit on Thursday morning.

When there, we will be conducting a birdlife survey, which involves us being outdoors counting and recording different birds seen, for about 30-45 mins.

Please ensure your child has a waterproof, warm coat and a warm layer underneath (eg a fleece/jumper) as well as their normal school uniform. Also sturdy shoes/trainers for walking on grass would be useful. They will be back at school for snack as normal.

If for any reason, you do not wish your child to go on this visit, please inform the school office.

Many thanks.

Mr Budge

Y3/4 Phase Leader
