

To parents/carers of pupils who are currently in Y2-Y5

This form only needs to be completed if you DO wish to book instrumental lessons for your child from September 2022. If your child already has music tuition during the 2021-2022 academic year and you wish them to continue then please complete this form as well.

SEPTEMBER 2022-JULY 2023 INSTRUMENTAL TUITION

We are now in the process of booking instrumental tuition to start in September and run until July next year. Lessons are booked for the whole of the next academic year and there is not usually an opportunity to begin mid-year. Please discuss the tuition available with your child and **complete this form by Thursday 9th June**. Pupils are expected to practise between lessons and attend regularly. **A deposit of £50 must be made prior to the lessons starting in September via ParentPay to guarantee your space.**

Large Group (Ensemble) Tuition is led by a specialist instrumental teacher with groups of 12+ pupils. The cost for the year is £60 and offers an excellent and more affordable way for pupils to start learning an instrument by being part of a bigger group. (These groups will run so long as there are sufficient pupils.)

- ♦ **Ensemble Violin** is available for Y3/4 pupils only. £60 includes the use of a school violin which may be taken home to practise.
- ♦ **Ensemble Guitar** is available only to Y5/6. £60 includes the year's tuition. Pupils can use a school guitar within lessons but these cannot be taken home. Pupils would need their own guitar to be able to practise at home. These can be purchased from any music shop.

Small Group Tuition Taught by specialist music teachers, lessons usually last twenty minutes and are in groups of four pupils of similar ability. These lessons cost £150 per year and may be scheduled during break, lunchtime or during curriculum time. (*Reductions are available for those pupils taking free school meals, please ask at the office for details*). Pupils will need their own instrument either organised independently or through Entrust. (NB School keyboards and the school drum kit will be used within those lessons).

I understand by registering for lessons, my child's commitment is for the academic year. **Please note this is a commitment for the year, if your child changes their mind the full amount is still payable.**

Please tick the instrumental lessons you would like to book for your child:
