*Do you recognise anything on the map?*

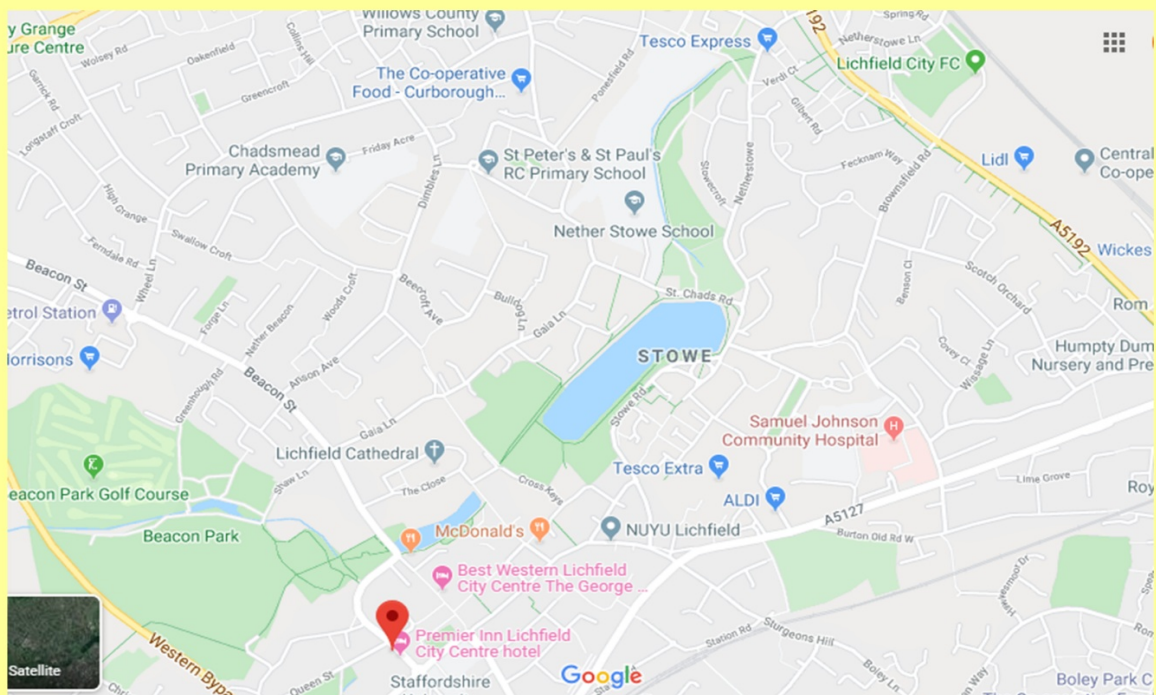

*Can you spot where our  
classroom is?*

*Have a look at this map with your partner.  
Can you see any landmarks you recognise?*

Have a look at this map with your partner.  
Can you see landmarks you recognise?

*These are all places in Lichfield.  
Can you name them?*

We are going to locate these places on a map of Lichfield.

Beacon Park

Chadsmead Academy

Lichfield City Station

Erasmus Darwin's House

Samuel Johnson Museum

Samuel Johnson Hospital

Lichfield Cathedral

Morrisons

Stowe Pool

## Lichfield Landmarks

Samuel Johnson Museum

The Samuel Johnson Museum is on Breadmarket street in the centre of Lichfield. Samuel Johnson lived here for 27 years. He is most famous for writing the first English dictionary.

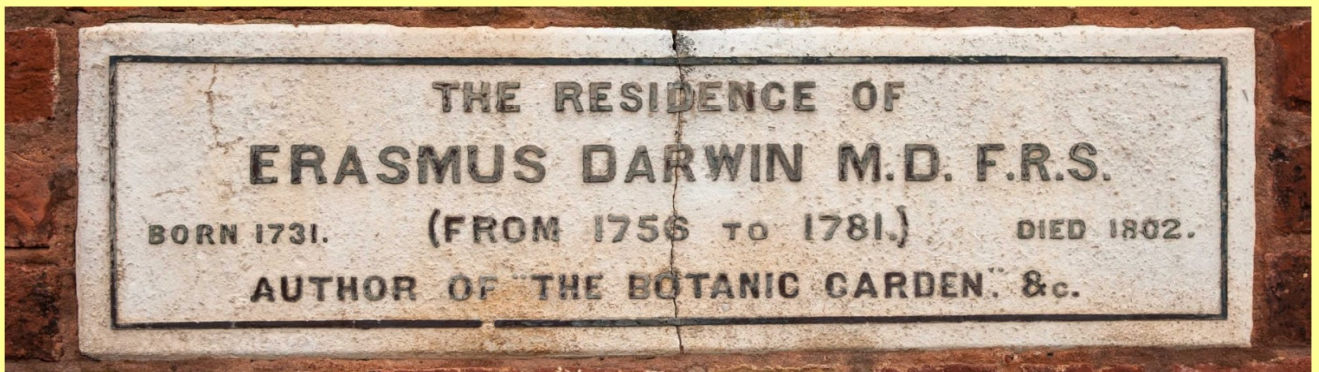

## Lichfield Landmarks

Erasmus  
Darwin's House

Erasmus Darwin's House is on Cathedral Close in the centre of Lichfield. Erasmus Darwin is a famous doctor, inventor and poet. He also has a very famous grandson called Charles Darwin.

## Lichfield Landmarks

Stowe Pool

Around Stowe Pool is a large willow tree known as Johnson's Willow. Samuel Johnson liked to visit the tree whenever he returned to Lichfield.

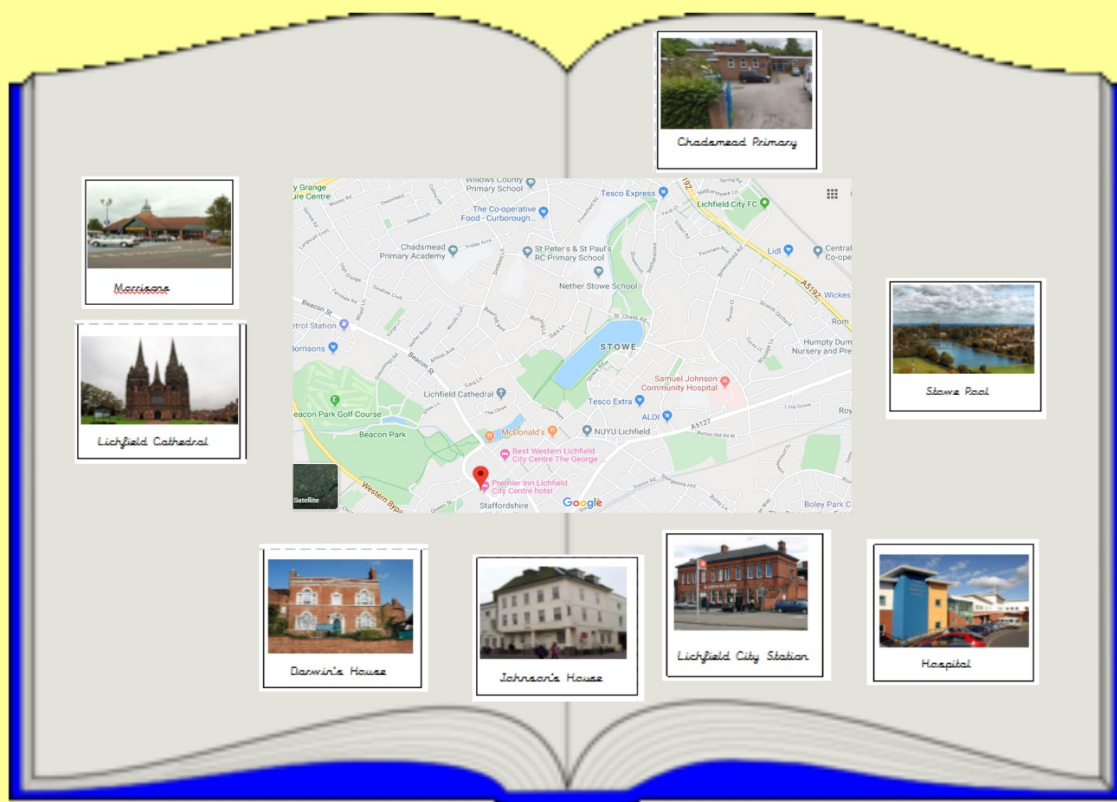

A long time ago, Stowe Pool would have been used as a reservoir, supplying surrounding houses with water.

It is only used for recreational purposes now where people can fish and sometimes you may see people in boats or canoes!

*This is how to stick your map in your book.*

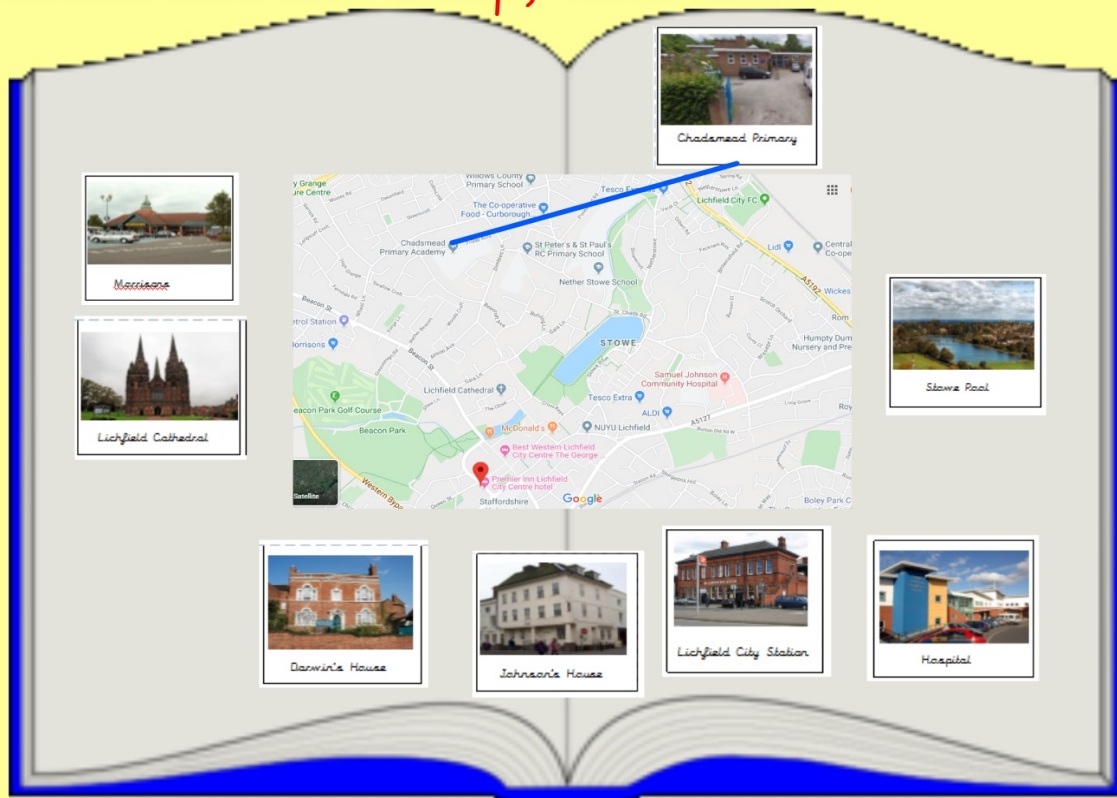

*Stick your photos like this.*

Now draw lines from the photos to their location on the map, like this.

*Here are the answers.*
