

Early Years Talk-Talk

Friday 25th September 2020

Message from Early Years

What another fantastic week we have had in Early Years. We have been reading the story 'Owl Babies' and have been completing lots of exciting activities such as making a collage owl, labelling an owl, making snakes using playdough and measuring them, using pegs to make spikes for hedgehogs, painting pictures and much more.

In Reception this week we have started our Maths Mastery sessions. This week we have been looking at repeated patterns and used the vocabulary big, small, long and short.

Library (Every Monday)

Next week we will be starting our Library session. This is where your child will bring home a library book of their choice to share with you at bedtime. Please note that this will be a story book for you to read to your child. Library books will be changed weekly so please ensure your child brings the chosen book back to school every Monday. Due to COVID we ask that your child keeps their book at home for the week and returns it on Library day, where we will then store them away. We offer this session to encourage a love for reading from an early age so we hope you and your child will enjoy sharing and talking about the stories which they bring home. We thank you for your continued support.

STAR OF THE WEEK

Nadia for being an exploring elephant in the outdoor area and using expressive language.

Reminder:

Reception PE

Reception will start PE on Tuesday 29th September. Please ensure that they come INTO school wearing their PE kit. Children will stay in their PE kits throughout the day.

Nursery PE

Nursery will start their PE session on Thursday 1st October. Children will complete their session in their school uniform. **NO PE KIT REQUIRED.**

Something amazing happened...

This week the children explored the outdoor environment and found an egg which had hatched. The children were very excited to know where the egg had come from and what was in it. The children came up with lots of suggestions like an owl, squirrel, spider, chick etc. We found out by looking on the internet that it was a pigeon egg.

We decided to write letters to the mummy pigeon to ask if the baby pigeon was safe in its nest. The children were so excited to find that the mummy pigeon had taken the children's letters on Friday.

We hope we receive a reply...
