### Message from Headteacher

This week, some parents and carers have had the opportunity to enjoy a Read Write Inc. lesson with their child. This is the new structured phonics program we introduced in October. The lessons have been well received and the children have particularly enjoyed being the experts with their parents. More lessons are offered next week and after half term. Thank you to those who have supported so far.

Some lovely news to share; Miss Lemm gave birth to a baby boy on Thursday 4<sup>th</sup> April. Both mom and baby Jude are doing well.

Sad news to share; after 10 years, Mrs Mathews, a teaching assistant, will be leaving us. She leaves us to pursue a new career, and although she will be missed by children and adults alike, we are excited for the new opportunities opening up for her. Her last day will be Friday 12<sup>th</sup> April.

I look forward to seeing you next week at our Easter services, don't forget we have tea and coffee available and a raffle!

## Years 1 & 2

Years 1 & 2 have worked extremely hard this week during their assessments. They approached them with a great 'can do' attitude and were able to show off the results of their learning so far. Well done children - we are very proud of your attitude. We would also like to say how proud we are of the children whose parents joined them in their 'Read, Write, Inc' sessions - you showed your parents how hard you work, and what enjoyment you have whilst learning your phonics. The children have been practising their songs in preparation for the Easter service next week. They have also looked at a day in the life of a zoo keeper and we are sure this will support their experience on next week's trip to Twycross Zoo.

## Years 3 & 4

Years 3 & 4 have worked really hard this week completing their end of term assessments. They have produced some very pleasing work and have tackled some quite challenging problem in maths and English grammar. This half term, we have been learning how to program computers by writing a set of instructions (algorithms) which the children are thoroughly enjoying. Please remember that Year 3 children will swim next week and Year 4's will have PE on Thursday as usual.

## Years 5 & 6

Years 5 & 6 have this week continued with their investigation into worm charming, have also completed an investigation into Darwin's Finches and how their beaks have adapted to suit the food they eat and have worked on things related to our Easter performance.

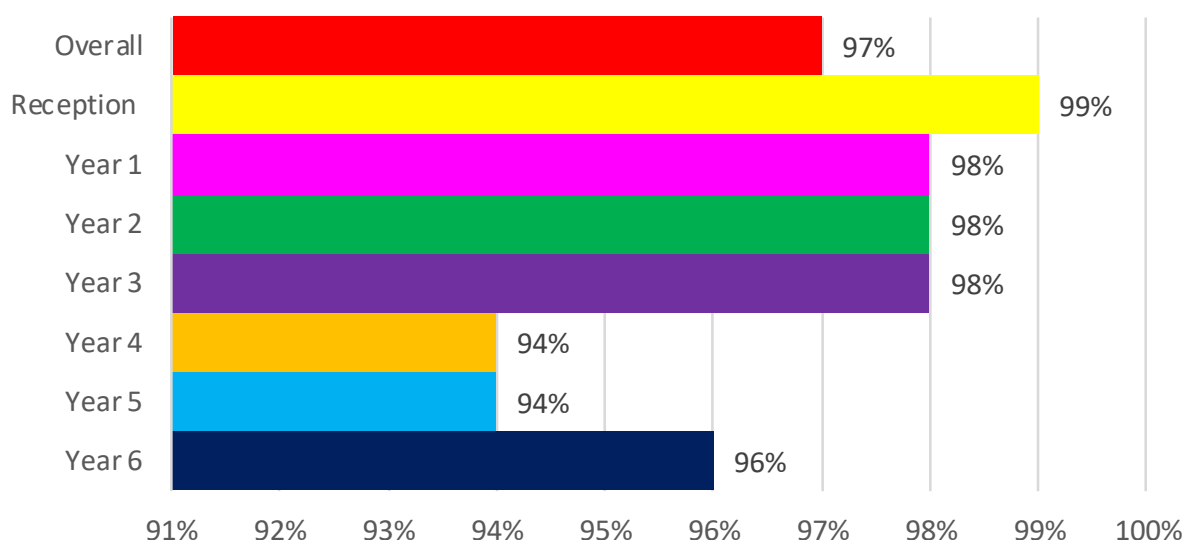

Again we are pleased with most children's attitude to learning.

Please can we remind parents and carers about the need for a child to be prepared for school: correct uniform; shoes; PE kit, pens, pencils etc; reading book. Thank you to those parents and carers that support the need for their children to complete their homework.

Year 5 went to Wade Street Church last week for an Easter workshop. The staff were very pleased with the children's behaviour and their understanding of Easter.

### Start of the School Day

Just a gentle reminder that classroom doors open at 8.45am with **registration at 8.50am**. Classroom doors are then locked at 8.55am as children need to go straight to their lessons. If you come to school after this time, then you **MUST** come to the main office and register your child in the late book. Thank you for ensuring your children get to school on time each day.

### Autism Awareness Week

This week has been Autism awareness week. Children have taken part in a whole school assembly and talked about it in class and with Mrs Cadman. Some children have kindly shared personal experiences with staff in school and showed real kindness to those around them that might find social communication situations challenging. Should you feel you want to discuss autism further with regard to your child, please contact your child's class teacher or Mrs Cadman directly. More information can be found about autism on the National Autistic Society webpage [www.autism.org.uk](http://www.autism.org.uk) Mrs Cadman.

### NEW Helpline for Grief and Bereavement

Grief Encounter is one of the UK's leading bereaved child charities, providing free, pioneering services and support to bereaved children, young people and their families. On average, one child in every classroom will experience death of a parent or sibling before they reach 16 years of age; 44,000 dependent children bereaved a year. Adolescent grief has a devastating impact that can last for life, with research showing links to mental health issues, social and behavioural problems and more.

Grief Encounter offers a flexible and accessible service, which aims to professionally care and respond to bereaved children, young people and their families via counselling, group activities, family fun days, residential camps and interactive online services.

## Why do I need to read 20 minutes every day?

**Child '1', reads 20 minutes everyday. 3600 minutes in a school year.**

**1,800,000 words**

**Child '2', reads 5 minutes everyday. 900 minutes in a school year.**

**282,000 words**

**Child '3', reads 1 minute everyday. 180 minutes in a school year.**

**8000 words**

By the end of year 6, child '1' will have read the equivalent of 60 whole school days. Child '2' will have read the equivalent of 60 school days. Child '3' will have read just 12 days.

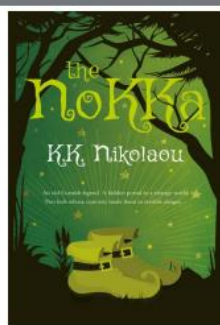

**Which child would you expect to have better vocabulary?**

**Which child would you expect to be more successful in school...and in life?**
