

## **Using Accelerated Reader and Quizzing option at home**

During this time, with school being closed, we have opened up Accelerated Reader quizzing for pupils at home.

To access Accelerated Reader from home you will need to type in the website address exactly as it appears below

**<https://ukhosted100.renlearn.co.uk/6703552>**

Your child has been using Accelerated Reader to quiz independently so they should remember their username and password.

**It is really important that children complete the quizzes on their own so that the system records their efforts accurately.**

*Any problems use the My Ed app to make contact.*

*Happy quizzing – Miss Tullett*
