

Early Years Talk-Talk

Friday 11th September 2020

Samuel for following the classroom rules and being a kind friend.

Message from Early Years

Early Years staff would like to welcome all parents and children back to school. We are so proud of how well all of the children have settled into Reception and Nursery. We have enjoyed getting to know the children this week and are looking forward to continuing this next week.

The children have made us so proud with following the classroom rules. I wonder if they can tell you some of them?

The children have enjoyed exploring the indoor and outdoor classroom. They have been playing with the animals in the small world area, practicing their cutting skills, making models out of playdough, reading stories, making lots of marks using different writing tools, completing jigsaws and much more.

RECEPTION ONLY

PE (Every Tuesday)- Reception children will start their PE lessons on Tuesday 29th September. Please ensure children come into school in their PE kit. Children do not need their school uniform for their PE day.

Forest Session (Every Friday)- Reception children will start their forest session on Friday 25th September. Please can your child come into school with wellies which they will leave at school, as well as waterproof clothing to put over their school uniform.
