

- wooden frames

Tudor houses were made of:

Some Tudor houses are more than 500 years old.

- dung (daub) smeared over the top

Tudor houses were built between 1485 - 1603

### Tudor Buildings

- gaps filled with woven twigs (wattle)

What were Tudor Houses made of?

### Tudor Buildings Today

Have you seen any?

We have many examples in Lichfield.

They had a very distinctive black and white style appearance.

There are still a large number of Tudor houses in the UK.
