

Early Years Talk-Talk

Friday 5th July 2019

Message from Early Years

We have had such a busy week! On Monday, we met our new teachers in year one and spent the morning with them. Nursery children had the chance to meet the new children starting in September and they all played beautifully together!

On Wednesday, we had an amazing time at Tamworth castle. We explored the castle and met Ruby the dragon which was very exciting! We got the chance to dress up at knights in the armoury and because it was such a sunny day, we played in the park afterwards.

The people at the castle commented on how well behaved our children were, and what a credit they are to our school. Well done children!

Outdoor Area

You will have noticed our fantastic new outdoor area, which is now almost complete.

This area will be health and safety checked during the last week of term, so unfortunately this means that the children won't get the opportunity to play on it during this academic year.

However, the current Reception children will be given the opportunity to use this area when they are in Year 1, so they will not miss out.

Dates for Diary:

EYFS Sports Day- Tuesday 9th July 9.30am

Children to arrive wearing sports clothes, sun hat and sun cream already applied.

Please can they wear a T-shirt in the colour of their house, house colours are:

Darwin - Red
St Chad - Blue
Johnson – Green
Garrick – Yellow

Please can all children bring a named water bottle. Thank you for your support.
