

Summer Reading Challenge

Dear Parents/ Carers and Children

The Reading Agency and the Library Service have put together a new Reading Challenge for this summer. It starts earlier than usual and runs from June to September 2020.

This year we can all take part online and access the virtual services and support from the library.

The theme for the challenge is 'Silly Squad' and this summer we are going to get silly!

Children can sign up to the website to access the free resources and set their own profile and reading challenges.

www.sillysquad.org.uk

There are also activities, games and quizzes to be enjoyed!

Children will receive a downloadable certificate at the end.

Have fun and get reading!!
