

Early Years Talk-Talk

Friday 1st March 2019

Message from Early Years

Wow! What a super first week back. We would like to say thank you for helping your child to make their egg/creature over the half term. The children have been so excited to show their special model to the class. They look fantastic displayed in Acorn classroom.

This week we have been reading a new story called 'The Little Red Hen'. We have talked about the characters, setting and have even written our own speech in a speech bubble!

We have been completing some exciting activities during choosing time such as painting our own farm animals, investigating the Spring area in the classroom, writing about our holiday news, exploring the clocks and talking about our daily routine, exploring the mud with farm animals and paying for items in the toy shop.

This week we have been talking about things that we might see during Spring. The children have drawn a picture and have written a sentence about what they might see.

In Maths this week the children have been exploring counting in groups of two and ten to find the answer. They have also been learning all about 3D shapes! The children have been doing a super job with telling the time (clock) and talking about what happens throughout the day.

STAR OF THE WEEK

for always coming into school
happy and with a smile!

PE Sessions

Please ensure your child brings their PE kit into school. Your child's PE kit can be kept at school and they will then bring it home at the end of each half term. Without a PE kit your child will not be able to participate in the session.

Nursery

Next half term Nursery children will be starting forest session on a Friday instead of PE. Please can you provide your child with forest clothes and wellies. Thank you!
