

STAR OF THE WEEK

Nursery- Hugo for independently making marks in writing.

Reception- Luke for trying really hard in phonics.

Message from Early Years

We have had a fantastic week in Early Years. It has been our WOW week where the children have shown us everything they have learnt over the first half term. The children have told us lots of exciting facts about Autumn - they have lots of knowledge. The children have used key vocabulary when telling us about Autumn. The children have also been showing us key skills that they have learnt over the half term such as: correctly using scissors, holding their pencil correctly, practicing their sounds, reading and writing CVC words, making marks, being imaginative, exploring numbers to 6, independently choosing colours to paint an autumn animal and much more.

In our outdoor area, the children were pretending to be at the theatre so we changed our own village hut into a theatre. We were so amazed with the children's imagination.

**"Here is your ticket to see the show Jack and the Beanstalk. It starts at six thirty. Don't be late or you won't be allowed in. Enjoy the show!"**

Book Bags

Please ensure your child brings their book bag to school every Monday so they can change their library book as well as Friday, ready for their new sounds to be put into their orange folders. **Please note that Nursery will only need to bring their book bags in on Monday for their Library session.**
