

Early Years Talk-Talk

Friday 6<sup>th</sup> December 2019

### Message from Early Years

This week has been another very busy but super week!

This week we have been creating our own picture of a polar bear using cotton wool, explored the artic animals in the small world area, writing Christmas cards to our friends, directed the beebots around the artic, practicing writing our numbers, making igloos out of sugar cubes, building CVC words using magnetic letters and writing a list of things they would like for Christmas. The children have also been super elves this week and have been helping Santa wrap some presents in his workshop.

In Literacy this week, we have been writing our letters to Santa. In maths this week, we have been continuing to learn about size ordering objects by length and height. We have been continuing to practice using vocabulary related to size such as **big, bigger, biggest, small, smaller, smallest, long, longest, short, shortest, shorter, longer.**

### Forest School

**Please note that there will be no Forest session until the new year.**
