

Early Years Talk-Talk

Friday 8<sup>th</sup> November 2019

### Message from Early Years

What a super start to the half term we have had. We have been creating potato print aliens, exploring green gloop, labelling an alien, drawing different aliens, threading aliens, matching objects and numbers together, reading alien stories, making our own rocket out of construction materials and much more.

In literacy this week, we have been reading the story 'Room on the Broom'. We have been writing our own potion including slugs, spider, hair, frog, bats etc!

### Our Theme for this half term

*What happens when I fall asleep?*

We will be learning about our routines and what animals come out at night time. We will be exploring space and imagining what it would be like to meet an alien.

To kick start our theme we had a super day on Tuesday dressing up as aliens. We took a walk around the school to find aliens and planets. We had lots of fun learning all about the different planets by finding information using a non-fiction book. We also visited the alien café where we tried different foods including avocado, cucumber, celery, grapes, kiwi, green jelly and green alien juice (milk), YUMMY!

### Creative Homework (Both Nursery and Reception)

Before half term the children were asked to make their own alien using different materials. Please could children bring their alien into school by **Tuesday 12<sup>th</sup> November** ready for them to be displayed in the classrooms.
