

Early Years Talk-Talk

Friday 9th October 2020

STAR OF THE WEEK

**Nursery- Flynn for settling
really well into Nursery.**

**Reception- Sebastian for
working really hard in
phonics.**

Message from Early Years

What another exciting week we have had in Early Years. The children have worked so hard with completing all the challenges set in the classrooms. We have been making shape pictures, matching numeral and quantity, exploring numbers within 6, making autumn animals out of playdough, completing jigsaws, writing beginning sounds in autumn words, exploring gloop, reading autumn stories and much more.

We have been continuing to read the story 'Owl Babies'. The children have made their own story maps and retold the story. We are so proud of them!

In maths, we have been learning to find one more and one fewer of a number to 6. The children are becoming confident with saying sentences within our maths lessons.

"One more than 5 is 6"
"One fewer than 4 is 3"

In theme, we have been learning all about Harvest. The children have sorted different foods into the correct basket (fruits, vegetables, grain). The children have completed a writing task where they had to write a list of these foods. We are so proud of their writing!

Website (Phonics)

Reception only - Please note that there is a video on the school website (Read Write Inc Section) where Miss Morton is working with a child using their sound cards. Please note that this video will support you with helping your child to read at home.
