

18th October 2018

**KS1 – Superhero day
Tuesday 6th November 2018**

Dear Parents and Carers

Our next theme for after the October half term holiday will be superheroes.

We would like to have a superhero day to start the theme.

Children can come to school dressed as a superhero. They can wear their favourite superhero character costume or come dressed as their own superhero.

We will leave it to your own imagination for this occasion.

The children do not need to wear or bring their uniform on this day. Please just ensure that your child is warm in the costume that they wear and that they wear sensible shoes and bring a coat for outdoor break.

The children will spend the day working on different creative activities linked to the theme.

Yours sincerely

Miss D Tullett (KS1 Phase Leader)
