

Early Years Talk-Talk

Friday 14th June 2019

STAR OF THE WEEK

For his super story writing!

Message from Early Years

This week we have been continuing to complete activities around our theme 'How many pebbles are on the beach?'

We have been using paints to make a hand printed octopus, practising our counting using shells, writing about what we would do if we were a pirate, creating our own maps, packing our own suitcase for a summer holiday and making our own under the sea small world.

In literacy this week, Reception have been continuing to read the story 'The Rainbow Fish'. We have been writing about the events from the story and have even written our own stories. Nursery have been practicing writing CVC words for example c-a-t, d-o-g, h-e-n.

In maths, this week we have been continuing to practice addition and subtraction. We have been learning about subtraction by partitioning the numbers using a part whole model.

***The children are very excited for our visit to see Ruby the dragon at Tamworth Castle. In order for your child to come on the trip please ensure that all money is paid for as soon as possible. ***

Dates for your diary
