

4th March 2020

Dear Parents/Carers

YEAR 3 MATHEMATICS MASTERY LESSON

We would like to invite you to take part in a maths lesson with your child, where you can see Mathematics Mastery in action. This is a great opportunity to join in with your child's learning and pick up some helpful hints on how to help your child with their maths at home. The lesson is intended to illustrate how our learning is centered around a 6-part structure, supported through equipment, challenges and talk tasks.

The date of our Year 3 session is Tuesday 31st March 2020 from 9am until 10am.

In order to accommodate all those wishing to attend, we require numbers of parents attending, please indicate below.

Your sincerely,

Mrs Bishop and Mr Budge
