Open My Mind

- Which was your favourite garden?
Why?

Open My Mind

- I will take you on a guided journey through a garden of 'dreams and goals'
- Visualise the birds in your mind, the colours, the plants, the birds, the creatures. *What did you see?*

Let Me Learn

Your challenge is to make an imaginary bird that might live in the garden of dreams and goals.

As well as making a bird, your task is to learn how to work as team.
