Dear Parents/Carers

Parents/Carers Survey May 2019

We are asking parents and carers to take some time to answer our confidential questionnaire to help us understand your thoughts about our school. The findings will be used to measure our performance and will feed directly into our future planning and decision making. The survey can be found on our website under the Parents & Families tab. Paper copies are available from the school office if you do not have access to the internet at home.

The survey is completely confidential, it does not request any of your personal information and thus you cannot be identified by taking part. We encourage you to be as honest as possible in your responses. The survey will take you between 5 and 10 minutes – dependent upon the depth of feedback you provide and will be available online until Friday 7th June 2019. After this point, the survey will be closed and the survey responses collated for analysis. We will publish the results at a later date.

It is important we receive as many survey responses as possible to ensure we have the viewpoints of parents and carers across all the school years.

Thank you for taking the time to participate.

Yours sincerely
