

EYFS Long Term Plan- Cycle 1

Autumn 1 Rhyme Time	Let's Explore	Autumn 2 Build it up	Marvellous Machines
			
This language rich mini project teaches children a variety of traditional rhymes, poems and songs and gives them the opportunity to play with words and learn new vocabulary.	During the first few weeks at school, children will be taking part in familiar activities designed to help them grow in confidence and develop their relationships with others.	This mini project teaches children about different structures and buildings that they can find in the world around them and gives them opportunities to work in groups to create their own exciting structures.	This interest led project teaches children about the important technology that is part of their daily lives and how machines can help us. The project gives them the opportunity to build and create their own marvellous machines.
Lost and Found 	Owl Babies 	The Three Little Pigs 	Whatever Next! 

Spring 1 Long Ago		Spring 2 Ready Steady Grow!	
	Puppets and Pop Ups 		Signs of Spring 
This project teaches children about how life in the past was different from their lives today, by exploring toys and games and talking to grandparents about their lives.	This mini creative project explores puppets and pop up books and gives children the opportunity to make their own and use them to tell exciting stories.	This project teaches children about food and farming and explores themes, including where food comes from, what plants and animals need to grow and survive and the importance of a healthy, well balanced diet.	This mini project teaches children about the changes that happen during spring, including how the weather changes and festivals that are celebrated at this time of year.
Goldilocks and the Three Bears 	Peace at Last 	The Enormous Turnip 	Supertato! 

Summer 1		Summer 2	
Animal Safari	Creep, Crawl and Wriggle	On the Beach	How high can I jump?
			
This interest led project teaches children about the different animals that live all around the world and the importance of caring for our local and global environments.	This mini project teaches children about the tiny creatures that live in their gardens and local environment.	This project teaches children about the plants and wildlife that live at the seaside. It also explores holidays in the past and the importance of keeping safe in the sun.	This mini project teaches children about the importance of daily exercise to keep healthy and explores the different types of games and activities that they can play outside in summer.
Dear Zoo	The Very Hungry Caterpillar	The Gingerbread Man	Farmer Duck
