

Early Years Talk-Talk

Friday 7th February 2020

For independently writing his name.

Message from Early Years

What a fantastic theme it has been this half term. We have travelled to lots of different countries and learnt all about the world. We will be finishing off our journey next week by flying back to the UK.

This week we have been writing about the different foods in France and Italy, created the Eiffel Tower using pastels, used playdough to make numbers, writing, creating our own Italian menu, exploring 2D and 3D shapes and much more.

In maths this week, we have been continuing to practice adding two single digit numbers together as well as learning how to subtract two single digit numbers by using a number track.

During theme this week, we have been comparing old and new transport. We have been observing pictures and talking about similarities and differences.

Forthcoming Events

Monday 10th February- Dogs Trust Workshop - Non School Uniform

Tuesday 11th February- Dogs Trust Workshop

Wednesday 12th & Thursday 13th February- Parents Evenings

Please note: Nursery children need to bring their PE kits into school every Friday for their PE lesson.

Creative Homework for both Nursery and Reception:

After half term we will be starting our new theme 'Why do ladybirds have spots.' We will be learning about mini beasts and their habitats. We will be looking closely at the life cycles of frogs and butterflies as well as our own.

Homework- we would like you to work with your child to create a mini beast e.g. spider, ladybird, snail etc. You can be as creative as you like!! Please can all mini beasts be in school by Tuesday 3rd March ready to be put on display in the classroom.

Thank you for your continued support 😊
