

Early Years Talk-Talk

Friday 13<sup>th</sup> December 2019

STAR OF THE WEEK

For being a kind friend.

### Message from Early Years

Wow what a super week...

We are getting very excited for Christmas and have been completing lots of exciting activities such as making Christmas trees out of playdough, making Christmas lights (finger painting), creating a polar bear picture using cotton wool, writing Christmas cards, using tweezers to put pom poms onto Christmas trees, making Christmas chains out of pipe cleaners and much, much, more.

Last week the children wrote a letter ready to send to Santa. **On Tuesday/ Wednesday (17<sup>th</sup>/ 18<sup>th</sup>)** next week we would like to walk the children to the post box next to the shops to post their letters. The letter that the children will be posting is a reply from Santa which will arrive at their house. If you have any questions, please come and speak to Miss. Morton.

Early Years Staff would like to say a HUGE WELL DONE to all the children this week in the Christmas performance. They were all amazing and we are so proud of them. We would also like to take this opportunity to say thank you to all the parents and carers for providing the children with fantastic costumes.

### Forthcoming events

Wednesday 18<sup>th</sup> December - Christmas dinner and Christmas Jumper Day.

### Our Next Theme - Are We There Yet?

We will be travelling around the world and exploring different countries. We will be learning about different types of transport and how life might be different in other countries.

On **Tuesday 7<sup>th</sup> January** we would like your child to bring in a suitcase/ bag ready for their journey on Chadsmead's Airline. Children should pack ready for their first stop to Australia where they will be learning all about life down under.

### Homework for both Nursey and Reception

Creative homework - As our next theme is 'Are we there yet?', we would like you to work with your child to create a type of transport out of box modelling e.g. car, bike, aeroplane, car etc. You can be as creative as you like!! Please can all models be in school by Tuesday 14<sup>th</sup> January ready to be put on display in the classroom.

Thank you for your continued support ☺
