

Make a

Leaf Man

Leaf Man Craft Instructions

Materials and equipment:

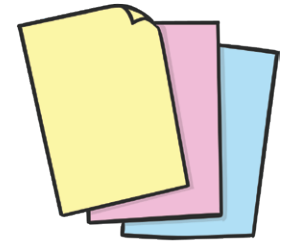

- pair of scissors
- white glue
- selection of autumn leaves
- googly eyes
- different-coloured paper or card

Step 1

Go outside and collect some autumn leaves. Try to find lots of different colours, shapes and sizes.

Step 2

Choose a piece of coloured paper or card. Carefully choose which leaves you are going to use.

You need:

1 face

1 body

2 arms

2 legs

2 feet

Arrange the leaves on the paper/card in the shape of a body.

Step 3

Use the glue to stick on the leaves in the shape of a body.

Step 4

Carefully stick on two googly eyes and draw a mouth, then leave to dry.

Step 5

Finally, use your scissors to cut around the leaf man, leaving a border all the way around.
