Early Years

Early Years have had another fantastic week. We have been learning all about Autumn and the changes we will see. The children have even made their own Autumn Tree! We have been completing lots of exciting activities such as making shape scarecrows, writing in custard, cutting jelly, making split pin scarecrows, designing a scarecrow, conker counting and making patterns using Autumn objects.

In Literacy we have been busy learning all about our new story 'The Scarecrows Wedding.' We have even labelled our own scarecrow. Next week we will be drawing our own story map and putting actions to the words.

In Maths this week we have been playing turn taking games. We have used the building blocks and built our own wall by adding the blocks. We had to correctly count the number of blocks used in the game.

Next week we will continue to learn about Autumn.

Phonics

This week Reception children have started Phonics. They have learnt new speed sounds p and g. They have all done a super job with writing the sounds. The children have also been practising oral blending e.g. p-i-n.

Notes for parents and guardians

Church visit (Reception only and afternoon Nursery children)

Our visit to St. Chads church is on Thursday 11th October. We appreciate your support with walking your child to and from the church. If you are walking with your child, please arrive at the school office for 1.30pm. We will be leaving the school at 1.45pm, ready for the service at 2.15pm.

Reminder

Early Years are looking forward to our Afternoon Tea on Tuesday 23rd October 2-3pm. The children will be experimenting making their own cakes and sandwiches, however fresh ones will be prepared by the catering staff for you to enjoy. Due to space we can only allocate one parent to each child.

Many thanks, Miss Morton, Mrs McLeod, Mrs Pearson and Mrs Rigby
