

19th November 2021

Dear Parents and Carers,

Maths Workshops

We are running our first half-termly Maths workshop for parents and carers. The aim of the workshops is to show how different areas of maths are taught, linking previous learning and showing progression of skills through EYFS to Year 6.

Previous workshops have received positive feedback from parents and carers who felt they gained a better understanding of how their child was being taught and what they could do to support learning at home.

Our first workshop is on Monday 29th November from 5.00 - 6.00 pm and will focus on supporting arithmetic skills. Please fill in the reply slip below to register interest.

Yours sincerely

Mrs A. Bishop
Maths lead

I am able to attend the Maths Workshop Session on Monday 29th November 2021.

Child's name:

Child's class:

Person attending the session:

Relationship to child:

Please return slip to school by Friday 26th November 2021
