

## EYFS Long Term Plan- Cycle 2

Autumn 1		Autumn 2	
Me and My Community	Exploring Autumn	Once Upon a Time	Can we explore it?
			
<p>This project teaches children about the different communities that they are part of and explores themes including family, friendship, school and people who help in the local community.</p>	<p>This mini project teaches children about the natural changes that happen during autumn, including how the weather changes, why trees lose their leaves and how wild animals prepare for the cold weather coming in winter.</p>	<p>This language rich project supports children to develop a love of stories and reading. It encourages children to learn, retell and act out familiar and traditional tales, including Goldilocks, Little Red Riding Hood, Jack and the Beanstalk and Cinderella.</p>	<p>This mini project teaches children about the celebrations and traditions that take place during the winter holiday season, both in the UK and around the world.</p>
<p>Pete the Cat Rocking in My School Shoes</p> 	<p>The Little Red Hen</p> 	<p>Jack and the Beanstalk</p> 	<p>We're Going on a Bear Hunt</p> 

Spring 1		Spring 2	
Winter Wonderland	Starry Night	Dangerous Dinosaurs	Puddles and Rainbows
			
<p>This mini project teaches children about the changes that happen during winter, including the different types of weather associated with the winter season. It also explores environments that have snow all year round</p>	<p>This project teaches children about the importance of a good night's sleep and helps them to discover what is happening in the world while they are sleeping, including finding out about nocturnal animals and people who work at night.</p>	<p>This exciting interest led project teaches children about the different creatures that roamed Earth millions of years ago and how they are related to animals that live on Earth today.</p>	<p>This mini project teaches children about the weather that happens during spring and allows them to explore natural phenomena, including rainbows.</p>
<p>A Gruffalo's Child</p> 	<p>How to Catch a star</p> 	<p>Dinosaur Rap</p> 	

Summer 1		Summer 2	
Sunshine and Sunflowers	Shadows and Reflections	Big, Wide World	Splash!
			
This project teaches children how to care for the plants and creatures that live and grow in their local environments.	This mini seasonal project teaches children about natural phenomena, including how shadows change size during the day and how the lengths of the days change during the year.	This project teaches children about the global community they belong to and explores how plants, animals, communities and weather can differ around the world.	This mini project teaches children about floating and sinking, freezing and melting and why it is important to keep hydrated on hot days.
Handa's Surprise	The Three Billy Goats Gruff	The Naughty Bus	Mr Gumpy's Outing
