

Early Years Talk-Talk

Friday 10th May 2019

STAR OF THE WEEK

For fantastic improvement in his reading.

Message from Early Years

What a super week we have had in Early Years. The children were excited about the new arrival of the Royal Baby. They designed their own baby clothes and wrote cards to the Royal Family.

During Literacy we had lots of fun retelling the story 'Jack and the Beanstalk' and have been writing events that happened. We have also been completing lots of activities around the story such as painting characters, counting beans, doubling using beans, labelling Jack and the Beanstalk characters and making beanstalks out of playdough.

We have been learning all about the features of a castle and who lives in them. We have even painted our own castle which will be displayed in the entrance of Early Years once they have dried!

During Maths Mastery we have been continuing to learn all about 3D shapes by naming and describing them. The star words that we used to describe the 3D shapes were curved edge, straight edge, flat face, curved face, vertices.
