<p>We will journey through space, the final frontier...Navigate beyond the Sun, the magnificent, blazing star at the centre of our solar system!</p> <p>We will investigate the eight planets and take a look at the moon. Work scientifically to investigate gravity and what happens when there is none! We will compare the time of day at different places on earth and get in a spin making simple models of the solar system.</p> <p>Then it's 3, 2, 1 .. Blast OFF when we build and launch a rocket for an important test mission.</p>	<p>Let's grow! A crispy carrot, a luscious lettuce or a tasty tomato. We'll be digging deep making our own tubs and planters and nurturing our greens, learning about farms and where food comes from.</p> <p>We'll discover which allotments are closest to our school and open the door to the secret garden.</p> <p>After harvesting our crops, we'll sell our produce and work out our prices to make sure we make a profit not a loss!</p> <p>Will we end up with green fingers?</p>	<p>Are you listening, boy? What is 27 plus 45? Come on – faster now; we haven't got all day!</p> <p>Find out about super-strict schools by travelling back in time to a Victorian classroom.</p> <p>Discover a time when great minds thought new thoughts and ingenious inventors created so many things we take for granted today: the electric light bulb, the telephone and even the flushing loo!</p> <p>Full steam ahead to the Victorian Age!</p>
